Your List	

★- Indicates a service or product that's offered on the tour. Go to BonTonRoulet.com for details.

Each rider is allowed one large bag (or two small bags), plus one additional camping gear bag. Bags should be waterproof. All personal items must be stored inside these closed bags. Bungee cords, ropes, or other such fasteners are not permitted to bind luggage together, or to bind items to the outside of the bag. Riders must place a separate colored tracking tag on each bag. Each tag must display your name and rider number. Tags can be found in your registration packet and at the Info Tent. Please make sure your luggage can be carried comfortably.

We advise that you not pack valuables, easily breakable items, items of personal worth, or medications in your luggage. The Bon Ton Roulet is not responsible for any lost, stolen, damaged, or misplaced items.
